

# Micro NeoLead<sup>®</sup> **NEW**

Unique Electrode with a Hydrogel Center and Hydrocolloid Ends

## Features & Benefits

- Pre-wired
- No cumbersome band
- Safely secures to limbs without a strap that could reduce circulation
- Gentle hydrocolloid ends and hydrogel adhesives
- Long lasting and easy to use, even under high humidity
- Safe on neonatal skin
- Radiolucent materials allow for x-ray wherever they are positioned

Cat No.	Size	Qty/Unit
